

Health, Safety & Environmental Policy

POLICY STATEMENT

It is the AA Group of Catering Companies Policy that:

“A systematic approach to HSE Management be applied which shall:

- ◇ Comply to the legislations and laws of the Sultanate of Oman, its Clients and the AA Group of Catering Companies own HSE Requirements;
- ◇ Forecast objectives and targets that are achievable and monitor their progress;
- ◇ Continuously monitor the HSE performance of its staff and its Sub-contractors;
- ◇ Develop improvements for HSE requirements and standards;
- ◇ Praise and reward its staff and its Sub-contractors for good HSE performances;
- ◇ Ensure that all employees understand their commitment and requirements to HSE, both for the AA Group of Catering Companies and their colleagues;

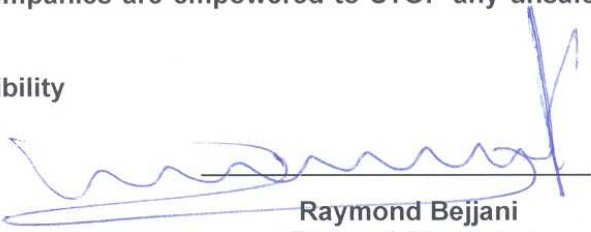

The Object of this Policy is to:

Continuously improve the management of HSE for the Health and Safety of its staff, Sub-contractors, Clients, Visitors and others that can be affected during the operations of the Group of Companies business.

The Commitment of this Policy is to:

- ◇ Protect the Environment and reduce the consumption of natural energies and other materials; use environmentally friendly products for nil contamination;
- ◇ Ensuring that Occupational Health is monitored so as to reduce any ill effects that the AA Group of Companies staff might encounter within their working environment;
- ◇ Regard Food Hygiene Safety and Road Transport Safety to be a top priority over all other activities and prevent any Incidents and accidents that could occur;
- ◇ All Employees of the AA Group of Catering Companies are empowered to STOP any unsafe work and report the same to their superiors;
- ◇ Ensure that HSE is a line management responsibility
